# Performance Notes

This is the original score for "Carnival Kerfuffle" as recorded for the video game CUPHEAD, with a few minor changes. An optional part has been added for Vibraphone, and optional saxophone parts have been added in bars 6 through 14 to cover the piano right hand if necessary. In order to accommodate this, the alto 1 player is asked to play the intro on clarinet (it was alto sax in the original).

from the composer:

*"The music of CUPHEAD is deeply influenced by the music of Duke Ellington and Scott Joplin, Cab Calloway and Benny Goodman, Gene Krupa, Fletcher Henderson and many others. Great care was taken while composing the soundtrack to create music that not only suited the fast paced, high energy gameplay, but that was still faithful to the big band and ragtime stylings of the era. I hope that performing these charts will inspire a whole new generation towards not only supporting jazz and big band music, but also towards fostering a love of music, especially live music, and the arts as a whole in our communities. I truly hope that you enjoy your time spent with the CUPHEAD music!"*
